

# You Are My King

Billy James Foote

---

**E/G#**      **A**      **E**                      **B**  
I'm forgiven because You were forsaken.

**E/G#**      **A**      **E**                      **B**  
I'm accepted,      You were condemned.

**E/G#**      **A**                              **E**      **B**  
I'm alive and well, Your Spirit is within me,  
**A**              **B**                      **A/E**      **E**  
Because You died and rose again.

**E**                      **A**  
Amazing love! How can it be  
**E**    **B**  
That You my King would die for me?  
**E**                      **A**  
Amazing love! I know it's true,  
**E**                                      **B**                      **A**      **B**      **E**  
And it's my joy to honor You, in all I do, I honor You.

(repeat from top)

**E**                      **Esus**      **E**  
You are my King;      You are my King.  
**E**                      **Esus**      **E**  
You are my King;      You are my King.

(repeat chorus x times)
